About SBG Technology Solutions, Inc.

SBG Technology Solutions is a Large Business providing Professional Engineering Services and Consulting. SBG specializes in providing strategic technical studies and programmatic services to federal agencies, with specific focus on the Defense and Intelligence Agencies. SBG was founded in 2004 by its sole proprietor, Carlos Del Toro, to provide professional management and engineering professional services to federal government agencies. SBG currently provides a broad range of administrative and engineering related program services to Program Executive Office (PEO) Integrated Warfare Systems, PEO Ships, PEO Space Systems, PMW-146, Bureau of Army National Guard, Federal Voting Assistance Program Office, Naval Open Architecture, Joint Integrated Air & Missile Defense Office, Army Communications and Electronics Command, Office of the Secretary of Defense, Transportation Security Administration, Defense Health Services Systems, and Health Resources and Services Administration.

Cutting Edge Technology, Services & Products

SBG Technology Solutions provides proven state-of-the-art technology, products, and engineering services to meet customer requirements in a wide variety of engineering and scientific applications. SBG also provides the necessary professional support services necessary to manage those complex requirements, and the consulting services often needed to capture, launch, and manage such programs.

Note: SINS include SINS 874-1RC & 874-7RC

1b. Identification of the lowest priced model number and lowest unit price for that model for each special item number awarded in the contract. This price is the Government price based on a unit of one, exclusive of any quantity/dollar volume, prompt payment, or any other concession affecting price. Those contracts that have unit prices based on the geographic location of the customer, should show the range of the lowest price, and cite the areas to which the prices apply. See prices in table 1a. There are no prices based on the geographical location of the customer.

1c. Description of all corresponding commercial job titles, experience, functional responsibility and education for those types of employees who will perform services on behalf of SBG Technology Solutions Inc. follows:

SCA Matrix		
SCA Eligible Contract Labor Categories	SCA Equivalent Code Title	WD Number
Administrative Assistant	01020 Administrative Assistant	2005-2103

The Service Contract Act (SCA) is applicable to this contract and it includes SCA applicable labor categories. The prices for the indicated SCA labor categories are based on the U.S. Department of Labor Wage Determination Number(s) identified in the SCA matrix. The prices offered are based on the preponderance of where work is performed and should the contractor perform in an area with lower SCA rates, resulting in lower wages being paid, the task order prices will be discounted accordingly.
